

Oi listen

Nothing about us
without us!

Don't
rush us

A person wearing a black and white geometric patterned top is holding a white rectangular sign with a purple border. The sign contains handwritten text in purple ink. The text is arranged in three lines, with the second line being indented to the right.

Share information
in a way that
makes sense to me!

Make notes in the
meeting in a way
that works for me.

My idea of a good
meeting ... might
look different to yours

Offer us real choices

- don't present one
thing that we can

only say yes/no to .

Use my name
not a label.
