

## C&M ICB

# The health journey over the past 12 months

Denise Roberts - Associate Director of Quality and Safety Improvement

# The past 12 months

Cheshire and Merseyside ICB is fully established, and staff roles finalised

Warrington had the SEND Inspection; health fully engaged as partners and continue to support going forward

North West independent review into the CAMHS service

Developed the SEND Collaborative Unit (SCU), with a Head of SEND.

# What have we done?

- ▶ Commissioning of ADDvanced Solutions
- ▶ Commissioned 'Space to be you' on feedback from parents/carer – works alongside CAMHS
- ▶ My Happy Mind to primary schools
- ▶ Established a 7 day a week mental health drop-in service from the Youth Zone
- ▶ Development of the complex needs HUB
- ▶ Physiotherapy is fully staffed and waiting time is under 18 weeks
- ▶ Recruitment of new ASD nurse
- ▶ SALT waiting times are reducing
- ▶ Health compliance into the EHC process remains at 99%

# Future plan

Continue to coproduce with the PCF on projects

PINS - lead by the DCO and LA, funding from NHSE for training in schools

Improvements from the SEND inspection

Work across C&M to look at the Neurodevelopmental Pathway and how we can improve the service

Thank you
